

Write Here: ever wanted to try your hand at writing a play?

The Jack Studio Theatre has two new playwriting courses for residents of the Borough of Lewisham.

Each six week course will explore the basics of playwriting, creating characters and storylines. You can write alone, in pairs, or as part of a team and together we will create short plays for performance at the theatre.

Each course culminates in a one-off performance where professional actors bring your scripts to life. (This is optional.) No experience is necessary, just a willingness to take part and try out your ideas!

There is a one-off **£10 registration fee**. Please only apply if you are able to attend all six sessions.
